

MAKE YOUR OWN RSL POPPY WREATH

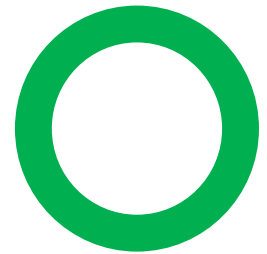

Print out the templates on page 3 and 4 and follow the instructions to make your own RSL Poppy Wreath.

You will need:

- Colouring Pens/Pencils in Red, Green and Black
- Scissors
- Glue
- Paper Dinner Plate
- Leaves Template (Printed)
- Poppies Template (Printed)

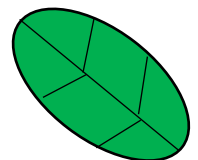

Creating a base for your Wreath

1. Fold the Dinner Plate in half.
2. Cut out the centre of the paper plate leaving the outer ring. Most paper plates have a border or ridge which you can use as a guide
3. Unfold your Dinner plate so you have a ring shape. This will form the base of your wreath.
4. If your paper plate is white, perhaps colour the ring in green.

Creating Leaves

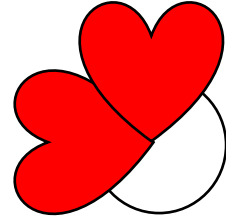

1. Print the Leaves Template (page 3).
2. Colour the leaf shapes in green.
3. Cut out the leaf shapes.

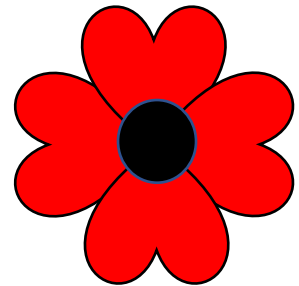

Creating Poppies

1. Print the Poppies Template (page 4).
2. Colour the Hearts in Red.
3. Colour the small Circles in black.
4. Leave the big Circle uncoloured.
5. Cut out the shapes.
6. Glue the top of the big Circle.
7. Place the Hearts around the outside of the Circle with the points facing inwards.
8. Glue the small black Circle into the centre to create the Poppy.
9. Continue making Poppies until complete
10. You will need approximately 5-6 Poppies to go around your wreath.

Step 8

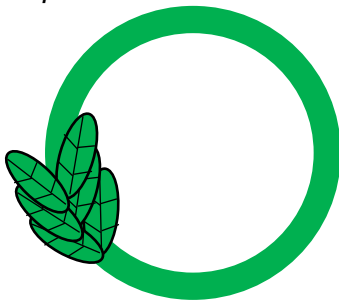

Putting your Wreath together

1. Gather your wreath base, leaves and poppies.
2. Glue the back of two leaves and place them on your wreath base so they form a V.
3. Continue gluing leaves in a V shape onto your wreath base until it is covered in leaves.
4. Glue the back of a Poppy and place it on the wreath.
5. Continue gluing Poppies onto the wreath until all 6 have been added.
